

CROSS-SECTION PAPER

Code : G743

- Cross-section paper in engineering testing laboratories is used for plotting graphs, drawing soil profiles, and recording test data like compaction curves or grain size distribution. Its grid layout helps ensure accuracy and neatness in technical drawings and data analysis.

ORDERING INFORMATION

Item	Code
LARGE LOG BOOK	G741X001H
A4 CLIPBOARD	G742X001H
CROSS-SECTION PAPER	G743X001H
